Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing;
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thoughts of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

The Student Body, 1927

MELA ALLEN ROYALL----------*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's by inaugurating an honor code.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of the Honor Code and merit severe punishment.

The Honor System covers more than classroom work. It extends to all parts of school life. Any conduct which s dishonorable or dishonest is condemned by the Code.

HONOR CODE OF SAINT MARY'S SCHOOL

As a student of Saint Mary's School, I promise to live up to the following requirements to the very best of my ability:

1. To tell the truth.
2. To be perfectly honorable in my school work.
3. To spend the night in my own room.
4. Not to use fire in any form.
5. Not to go off the campus without permission.
6. When off campus (as well as when on campus) to behave in such a manner as will bring credit, not discredit, upon my school.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thoughts of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's, How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

The Student Body, 1927-1928

ELIZABETH CHILDS PLATT.....*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's by inaugurating an honor code.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of the Honor Code, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all parts of school life. Any conduct which is dishonorable or dishonest is condemned by the Code.

HONOR CODE OF SAINT MARY'S SCHOOL

As a student of Saint Mary's School, I promise to live up to the following requirements to the very best of my ability:

1. To tell the truth.
2. To be perfectly honorable in my school work.
3. To spend the night in my own room.
4. Not to use fire in any form.
5. Not to go off the campus without permission.
6. When off campus (as well as when on campus) to behave in such a manner as will bring credit, not discredit, upon my school.

THE SCHOOL COUNCIL

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school—

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thoughts of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's, How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

The Student Body, 1928-1929

MARGARET DUNCAN CAMERON----------*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's through the honor code.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of the Honor Code, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all parts of school life. Any conduct which is dishonorable or dishonest is condemned by the Code.

HONOR CODE OF SAINT MARY'S SCHOOL AND JUNIOR COLLEGE

As a student of Saint Mary's School, I promise to live up to the following requirements to the very best of my ability:

1. To tell the truth.
2. To be perfectly honorable in my school work.
3. To spend the night in my own room.
4. Not to use fire in any form.
5. Not to go off the campus without permission.
6. When off campus (as well as when on campus) to behave in such a manner as will bring credit, not discredit, upon my school.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

The Student Body, 1929-1930

ROXANA WILLIAMS EATON ..... *Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's through the honor code.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of the Honor Code, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all parts of school life. Any conduct which is dishonorable or dishonest is condemned by the Code.

HONOR CODE OF SAINT MARY'S SCHOOL AND JUNIOR COLLEGE

As a student of Saint Mary's School, I promise to live up to the following requirements to the very best of my ability:

1. To tell the truth.
2. To be perfectly honorable in my school work.
3. To spend the night in my own room.
4. Not to use fire in any form.
5. Not to go off the campus without permission.
6. When off campus (as well as when on campus) to behave in such a manner as will bring credit, not discredit, upon my school.

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school—

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

The Student Body, 1930-31

NANCY GATEWOOD JONES.....*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's through the Honor System.

The old proctor system has given place to the new system of hall presidents, who work in cooperation with the school council and who attend to all regulations on the halls.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of honor, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all parts of school life.

Each student at Saint Mary's is requested to sign the following pledge:

I do hereby pledge that I will tell the truth and be perfectly honorable in every phase of school life at Saint Mary's.

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school—

"Stage Coach"	$5.00

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

The Student Body, 1931-32

CAROLINE WINDER DUNN----------*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's through the Honor System.

The hall presidents work in cooperation with the school council and attend to all regulations on the halls.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of honor, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all phases of school life.

Each student at Saint Mary's is requested to sign the following pledge:

I do hereby pledge that I will tell the truth and be perfectly honorable in every phase of school life at Saint Mary's.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

The Student Body, 1932-33

MELBA CHAMBLEE.....*Student Body President*

The members of the Honor Committee have done excellent work, this year, in fostering a true Saint Mary's spirit among the student body. Under the successful leadership of their president, they have made much progress towards broadening the scope of student government at Saint Mary's through the Honor System.

The hall presidents work in cooperation with the school council and attend to all regulations on the halls.

The Honor System requires that a girl shall in all the relations of student life act honorably. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of honor, and merit severe punishment.

The Honor System covers more than classroom work. It extends to all phases of school life.

Each student at Saint Mary's is requested to sign the following pledge:

I do hereby pledge that I will tell the truth and be perfectly honorable in every phase of school life at Saint Mary's.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail, all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

The Student Body, 1933-34

KATHERINE HARDING.....*Student Body President*

The members of the Honor Committee have done good work this year, especially in the inauguration of the Student Government System. While it has been present only in a limited form this year, it is hoped that every girl in years to come will cooperate with the Council and help make it a success.

The Hall Presidents comprise the Student Council and attend to all hall regulations.

The Honor System requires that every girl be honorable in all phases of school life. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered as infringements of honor, and merit severe punishment.

Each student at Saint Mary's is requested to sign the following pledge:

I do hereby pledge that I will tell the truth and be prefectly honorable in every phase of school life at Saint Mary's.

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
They love thy high praises to sing,
And tell of thy beauties of campus and tree
Around which sweet memories cling;
They may wander afar, out of reach of thy name,
Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
Be a lamp and a guide to our feet.

May the future unite all the good of thy past
With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail, all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

The Student Body, 1934-35

KATHARINE SPRUILL.....*Student Body President*

The members of the Honor Committee have done excellent work this year in fostering a true Saint Mary's spirit among the student body. Under the successful guidance of the president, they have made much progress towards broadening the scope of student government at Saint Mary's through the Honor System.

The Hall Presidents work in coöperation with the school council and attend to all the regulations on the halls.

The Honor System requires that a girl shall, in all relations of student life, act honorably. Lying, cheating, stealing, or breaking one's honor under any circumstances are considered infringements of honor and merit severe punishment.

The Honor System covers more than classroom work. It extends to all phases of school life.

Each student at Saint Mary's is requested to sign the following pledge:

I do hereby pledge that I will tell the truth and be perfectly honorable in every phase of school life at Saint Mary's.

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail, all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

The Student Body, 1935-36

ANN SCOGGIN.....*Student Body President*

Under the guidance of the Student Body President, the Honor Council fosters the Saint Mary's spirit among the students, and takes the responsibility for maintaining the regulations of the Student Government.

The Hall Presidents work in coöperation with the school council and attend to all the regulations on the halls.

The Honor System requires that a girl shall, in all relations of student life, act honorably. Lying, cheating, stealing, or breaking one's honor under any circumstances are considered infringements of honor and merit severe punishment.

The Honor System covers more than classroom work. It extends to all phases of school life.

THE SCHOOL COUNCIL

The purpose of the School Council is the maintenance of order, honesty, and loyalty in the school.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
They love thy high praises to sing,
And tell of thy beauties of campus and tree
Around which sweet memories cling;
They may wander afar, out of reach of thy name,
Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
Be a lamp and a guide to our feet.

May the future unite all the good of thy past
With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail, all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

The Student Body, 1936-37

VIRGINIA WORTH.....*Student Body President*

Under the guidance of the Student Body President, the Honor Council fosters the Saint Mary's spirit among the students and takes the responsibility for maintaining the regulations of the Student Government.

The School Council is composed of members of the Faculty and representatives of the various classes, forming the Student Honor Committee, and meets from time to time to confer upon matters of general interest.

The Hall Presidents work in coöperation with the School Council and attend to all regulations on the halls.

Saint Mary's Honor System, with its strict requirements of truthfulness and honesty in all matters of school life, is upheld by its student body and is a fundamental part of the training given by the school. The Honor System covers more than class room work. It extends to all phases of school life, requiring that each girl shall in all relations of student life, act honorably. Lying, cheating, stealing, or breaking one's honor under any circumstances are considered infringements of honor and merit severe punishment.

Alma Mater

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
  They love thy high praises to sing,
And tell of thy beauties of campus and tree
  Around which sweet memories cling;
They may wander afar, out of reach of thy name,
  Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
  Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
  Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
  Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
  An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
  Be a lamp and a guide to our feet.

May the future unite all the good of thy past
  With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
  Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
  Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
  Of earnestness, wisdom and love.

Hail, Saint Mary's

Adapted from Margaret Mason Young, 1899

In a grove of stately oak trees,
  Where the sunlight lies,
Stands Saint Mary's true and noble
  'Neath the Southern skies.

Far and wide, oh sound her praises,
  Chorus full and free,
Hail, Saint Mary's Alma Mater,
  Hail, all hail to thee!

Well we love the little chapel
  Ever hold it dear;
Hear the echoes of the music,
  Rising soft and clear.

Far and wide, etc.

There the ivy and the roses
  Climb the old stone wall,
There the sweet, enticing bird notes
  Sound their magic call.

Far and wide, etc.

There the bonds of friendship strengthen,
  As her beauties charm,
We draw close to Alma Mater,
  Trust her guiding arm.

Far and wide, etc.

MARY LOUISE RIDDICK.....*President Student Government*

Under the guidance of the Student Body President, the Honor Council fosters the Saint Mary's spirit among the students and takes the responsibility for maintaining the regulations of the Student Government.

The School Council is composed of members of the Faculty and representatives of the various classes, forming the Student Honor Committee, and meets from time to time to confer upon matters of general interest.

The Hall Presidents work in coöperation with the School Council and attend to all regulations on the halls.

Saint Mary's Honor System, with its strict requirements of truthfulness and honesty in all matters of school life, is upheld by its student body and is a fundamental part of the training given by the school. The Honor System covers more than class room work. It extends to all phases of school life, requiring that each girl shall in all relations of student life, act honorably. Lying, cheating, stealing, or breaking one's honor under any circumstances are considered infringements of honor and merit severe punishment.

(*Tune: "Believe Me If All Those Endearing Young Charms"*)

Saint Mary's! wherever thy daughters may be
They love thy high praises to sing,
And tell of thy beauties of campus and tree
Around which sweet memories cling;
They may wander afar, out of reach of thy name,
Afar out of sight of thy grove,
But the thought of Saint Mary's aye kindles a flame
Of sweet recollections and love.

Beloved Saint Mary's! How great is our debt!
Thou hast cared for thy daughters full well;
They can never thy happy instructions forget,
Nor fail of thy virtues to tell.
The love that they feel is a heritage pure;
An experience wholesome and sweet.
Through the fast rolling years it will grow and endure;
Be a lamp and a guide to our feet.

May the future unite all the good of thy past
With the best that new knowledge can bring.
Ever onward and upward thy course! To the last
Be thou steadfast in every good thing.
Generations to come may thy fair daughters still
Fondly think on thy halls and thy grove
And carry thy teachings—o'er woodland and hill—
Of earnestness, wisdom and love.
